

Starting date: September 2023

Can you create appealing layouts in your sleep? Do you have a few different styles up your sleeve? And do you enjoy turning scientific content into engaging visuals? Then you should be our new **graphic designer**!

About Arctik

Arctik is a Brussels-based communication agency that puts sustainability first. We provide a broad range of communication services to European clients focusing on environmental and climate issues, circular economy, and sustainable development. Arctik is part of the leading science and innovation consultancy Technopolis Group.

Main responsibilities

As our graphic designer, you would:

- Design appealing visual identities to match clients' needs
- Provide layouts for long and short print and digital publications
- Create illustrations on a wide variety of topics and in different styles
- Select and edit visual materials for web and print
- Prepare pre-production directly or with one of our team members.

Profile

The successful candidate should have the following qualifications and skills:

- A professional degree in graphic design, illustration, or related disciplines
- 1-year experience working as a graphic designer
- Data visualisation skills
- Strong layout and illustration skills
- Extensive knowledge of InDesign and Illustrator
- A diverse portfolio
- A keen eye for detail
- The ability to work on different projects while respecting strict deadlines.
- Flexibility and initiative to respond to changing projects and priorities.
- Fluency in English
- A can-do attitude
- European spirit and a sense of humour!

Any of the following are a plus:

- Photography skills
- Knowledge of Photoshop, Premiere Pro, After Effects, or Animate
- Experience with web design
- Experience in production management
- Confidence at liaising with clients independently and managing client relationships
- Fluency in French or Dutch
- Experience in marketing or at a creative agency
- Knowledge of European Commission style guides

Our offer

- A diverse job at a dynamic and creative agency
- A permanent contract starting as soon as possible
- Competitive wages and benefits
- Training and the opportunity to build your skills
- A fun team

How to apply

Please upload your CV to [the Technopolis Group website](#), together with your portfolio and a motivation letter. We would welcome a creative application.
